Certificate under 37 C.F.R. § 3.73(b)

Iomai Corporation, a corporation located in Gaithersburg, Maryland, certifies that it is the assignee of the entire right, title and interest in the patent applications identified above. An assignment from the inventor(s) of the patents and patent applications identified above was recorded as indicated above. To the best of the undersigned's knowledge and believe, title is in the assignee identified above. The undersigned is empowered to act on behalf of the assignee.

I hereby declare that all statements made herein on my own knowledge are true, and that all statements made on information and belief are believed to be true; and further, that these statements are made with the knowledge that willful false statements, and the like so made, are punishable by fine or imprisonment, or both, under Section 1001. Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.

Iomai Corporation
